

Accessibility Statement

manyroadsclinic.com is committed to ensuring digital accessibility and equal access for people with disabilities. We are continually improving the user experience of our website for everyone, and applying the relevant accessibility standards to maximize the access of people with disabilities to this website because they are important contributors to the company's success.

Measures to support accessibility:

Many Roads Clinic has implemented the following measures to ensure and improve accessibility of wearehue.org and wellth.wearehue.org

- Addressed accessibility in its internal policies.
- Appointed an accessibility officer/ombudsperson.

Conformance status:

The [Web Content Accessibility Guidelines \(WCAG\)](#) defines requirements for designers and developers to improve accessibility for people with disabilities. It defines three levels of conformance: Level A, Level AA, and Level AAA. manyroadsclinic.com is partially conformant with WCAG 2.1 level AA. Partially conformant means that some parts of the content do not fully conform to the accessibility standard.
